M1 PRO

The downlight comes in a modular form factor and can unloaded from the front of the frame to protect the ceiling from any damage at the time of service. What makes M1 special is the miniaturized size, with 3 wattages available in the 45mm cutout category.

BLADE ROUND

New concept developed for integration and architecture. Miniaturised Individual lenses or only 20mm.Blade R offers multiple light sources within one fixture and dual adjustability thanks to its modular form.
